Dear Anglers,

The San Diego Team Series held the 2nd EL Cajon Ford Night Series tournament at Lake El Capitan on Saturday May 17, 2014. We had a field of 71 teams that came to fish with some of San Diego finest competitors. Once again, we had another great turnout for this series and we are glad to see the night series events back into full swing amongst the night fisherman in the our community. We had a great group of anglers at this event with signups starting at 4:30PM with a catered BBQ for all the anglers to enjoy from the BBQ Pit courtesy of EL Cajon Ford. The weather was clear skies in the beginning of the evening with overcast skies towards the end of the night.

This tournament proved to be very exciting with 196 bass weighed for a total weight of 644.58lbs with an average weight per team of 8.95lbs. The weigh-in went smoothly and we were able to get all the anglers off the water, paid and head home within 45 minutes after the last team weighed in.

The winners of the 2nd tournament went to John Blake & Gene Collins with a three bass limit that weighted 20.92lbs with the big bass of the tournament of a 8.72lbs. Blake & Collins took home \$4,500.00 for their 1st place finish and \$500 for the big fish for a total winning of \$5,000.00 for the evening. Good job boys with the 1st place win and we will see you at the next event.

Second Place went to Kevin Norling & Wade Strelac with a three bass limit that weighted 18.00Lbs with a kicker bass of 8.37lbs. Norling & Strelac took home \$1,900.00 for their 2nd place finish. With a first place and a second place finish, this duo is leading the point race in the year to date standings.

Third place went to Deron Johnson & Jerry Warner with a three bass limit that weighted 15.85lbs with a kicker bass of 8.28lbs. Johnson & Warner took home \$950.00 for the their 3rd place finish.
